## DISCOVER PUERTO QUETZAL

Guatemala is very diverse in nature and has small desert areas, lush mountains and lakes and the highest point in Central America being Tajumulco Volcano. As with many Central American countries, the majority of towns, population and activities are inland in the more temperate regions, rather than on the humid coastlines and Puerto Quetzal is no exception. A great port for commercial shipping but to leave the port area and drive inland opens up a new view and shows you an active volcano, the 400 year old city of Antigua with beautiful architecture and ancient ruins along with great scenery and gardens.

**TIP OF THE DAY:** Announcements can be heard on your stateroom television by tuning into channel 2.

We may at times experience delays or stoppage in the disembarkation program when the amount of guests exceeds the maximum which is safely permitted inside the terminal. The entire disembarkation program is controlled by U.S. Customs and Border Protection and can be lengthy at times, depending on the documentation inspection inside the cruise terminal.

These times are guidelines only. Colors may be called earlier or later depending on the extent of the US Customs & Immigration Inspection or luggage operations inside the cruise terminal. All guests will need to disembark no later than **10:30 AM** in order to clear with U.S Customs Officials.

**NOTE: Please ensure that you have your passport and completed I94 form (for non US guests) ready once you exit the vessel to ensure smooth immigration process. The I94 forms will be delivered to your stateroom separately.**

### TRANSPORTATION

NCL pre-arranged airport transfers, Post-Cruise Hotel, or transfers purchased onboard must proceed to the buses outside the terminal to take you and your luggage to the airport or hotel. Luggage tags & information regarding disembarkation will be delivered to your room.

Taxis and all other means of transportation are situated outside the terminal

### IMPORTANT REMINDERS FOR A SMOOTH DISEMBARKATION

- Keep your family/party together when heading to the disembarkation level
- Have your Guest Freestyle Card in hand and ready to be swiped by Ship's Security
- For your safety and of others around you, avoid gathering in staircases or elevator landings

## What is the Service Charge?

Effective April 1, 2018, a \$14.50 USD service charge has been automatically added, per guest per day (for guests three years and older), to your shipboard account for the following staterooms (Studio, Inside, Ocean View, Balcony and Mini-Suite). For The Haven and suite staterooms, the service charge will be \$17.50 USD per guest per day (for guests three years and older). These charges will be shared among those staff members, including the restaurant staff, stateroom stewards and other behind-the-scenes staff, who have provided services to enhance your overall cruise experience. However, certain staff positions (e.g., beverage service, concierge, butler and youth counselors) do not benefit from this shared service charge because they provided service to only some guests, not all.

## In-Room Mini Bar

We will take a final inventory and lock the Mini Bar on the last evening of your cruise. Please let your Stateroom Steward know if you need to keep the Mini Bar unlocked. Beverages can be ordered from Room Service by pressing the speed dial button.

## BELOW ARE YOUR OPTIONS FOR LEAVING THE SHIP:

### Option 1: Self-Assist Disembarkation (safely carry your own entire luggage(s) with you)

If you can safely carry off your own bags/suitcases, then Self-Assist may be the best option for you. There will be no need to look for your luggage inside the cruise terminal. Keep in mind, you have to be physically able to carry all your bags/suitcases with you and that there may be stairs, escalators, and lines to contend with. Norwegian Team Members are not permitted to assist with your luggage in accordance with California State Union Regulations. We encourage guests with early arrangements to take advantage of this option.

- You can be the first group off the ship (once it's cleared by local officials) **approximately 6:45 AM.**
- You don't have to worry about the color-coded tag disembarkation system which lets you avoid the crowd in the baggage claim hall; you will carry off your entire luggage with you.
- Keep your bags/suitcases inside your stateroom the night before
- Proceed only to the disembarkation level once your Self-Assist has been announced

### Option 2: Feel Free Disembarkation (claim inside the cruise terminal luggage hall)

If you wish to enjoy your last morning onboard the ship, then Feel Free to relax, have a nice breakfast, or one last cup of coffee. Simply pick up a new color luggage tag for the time you wish to disembark the ship. Remove any old tags and attach these new color tags to your luggage, and place outside your room before you retire, but no later than 11:00 PM on Thursday evening. Make sure to keep an overnight bag with clothes, shoes, and essentials for the last morning. Keep your important items, (medications, proof of citizenship/travel documents and airline tickets ...) in your carry-on luggage.

**Whichever disembarkation option above you choose, please refer to the back page for the colors, times, and location to pick-up the luggage tags. Each color will have limited availability. If the color is out, then kindly select another color.**

For luggage that is placed outside your room to be collected by our Housekeeping Team, please avoid placing any personal items that may be fragile or of high value plus ensure you have placed your new color tag on all your suitcases.

# FAREWELL, FOR NOW.
