Stateroom: 8272

Greetings from Guest Services,

We hope you have enjoyed your cruise this week. We've certainly enjoyed having you sail with us.

Upon our early arrival in Long Beach, CA. tomorrow, we invite you to be among the first to disembark upon arrival at our homeport:

- Self-Assist – If you only have a few pieces that you can safely carry off without assistance, please proceed to the *Bacchus Dining Room, Deck 3 Aft, at 7:45 AM.*
- Check-In Luggage – If you would prefer to pick up your luggage in the baggage area, simply remove the old luggage tags and attach the enclosed blue Zone 1 tags. We ask that you place your bags outside your stateroom no later than 11:00 PM tonight. Should you require additional tags, please contact Guest Services at extension 6676. Please proceed to the *Bacchus Dining Room, Deck 3 Aft, at 8:30 AM.*

Once the vessel has been cleared by local authorities, a Carnival team member will escort you and other VIFP Club members to the gangway. Please have your identification, Sail and Sign card and Customs Declaration readily available as you disembark.

We trust you had a fun and memorable time and are taking home many fond memories as souvenirs. We wish you a safe journey home.

Sincerely,
