Dear Cruise Director,

What is it about being at sea that makes you so hungry...for art?

Art collecting is one of the most rewarding hobbies you can have – even if you don't know a Van Gogh from a Rousseau, or a Warhol from a Vermeer (who?).

Buying and collecting art is very personal. Each person experiences something different from a work of art. People that think collecting art is a luxury are only partially right – human beings are drawn to artwork (no pun intended) – even the cavemen surrounded themselves with art!

So how do you start exploring – and buying – art? Besides beginning your art collection by finding art that makes you feel inspired, happy, or that brings a fond recollection, you may want to catch the art seminars on board this cruise.

NCL's art seminars and auctions are where you can start learning and building your collection or add to it. Here, you'll find something for every taste and budget, in a friendly, un-intimidating, even educational atmosphere. You'll be pleasantly surprised at how easy it is to fall in love with a piece of art, maybe even enough to bring it home.

2 for 1 Jackpot Bingo

Here's your chance to get the whole family involved in Bingo. Everyone can have a chance to win cash. We have packages available for everyone. Moms, dads, kids, grandparents are welcome. Jackpot is approaching \$1000.
