Guest Feedback System Now Online

We hope you're enjoying your cruise. In the past, we would ask guests to fill out a comment card, but we've replaced this traditional method with an online survey. This new process makes gathering guest feedback and improving future NCL cruises faster and more efficient. After the cruise, randomly selected guests who provided their email address on their Advance Guest Registration form will receive an email with a link to the survey.

We truly value your opinions and hope you will complete this survey.

If you don't receive an email survey and would like to provide feedback, please send your comments to NCL Customer Relations at 7665 Corporate Center Drive, Miami, FL. 33126.

Thanks again for sailing with us. We hope we were able to provide you with excellent service and a vacation of a lifetime.

We respectfully ask, because we care, that all guests use the hand sanitizing stations at all times, especially when coming back from all ports of call and before dining in our restaurants. If you develop any kind of gastrointestinal symptoms then please report them immediately by calling 3333 or 00. No fee will apply for consultation, only for medication.

Dear Cruise Director,

I enjoy wine with dinner and have heard about "The Aroma Wheel". What is it?

Your taste buds can discern only four flavors - sweet, sour, salt and bitter - while your nose can distinguish thousands of variations. The University of California at Davis came up with 12 major categories, 29 subcategories, and 94 specific terms for the aroma of wine. The original "wheel" was circular, with similar smells placed close together around its circumference.

The more common aromas include: fruity, vegetative, nutty, caramelized, woody, floral, and spicy. Less common aromas include earthy, chemical, sherry, pungent, and even microbiological. Make sure to "swish" the wine in your mouth so all your taste buds (and your sense of smell) participate in the detection of the wine's finer flavors.

Ask your server to help pair a wine with your dinner tonight in one of our fine dining or specialty restaurants.
