TAKE HOME A STORY

With Freestyle Cruising, you've got the freedom to create your very own story on an exciting Shore Excursion. Soak up as much adventure as you like - at your leisure.

ST. THOMAS FUN FACT

The capital of the U.S. Virgin Islands, Charlotte Amalie, is also the largest historical town in the United States. There has been great debate regarding the correct pronunciation of its name, which was originally Charlotte Amalia (with an "a"). Due to an error in historical documents, the spelling was changed to an "e." But the official (and original) pronunciation is Charlotte "Amalya."

YOUR ADVENTURE AWAITS

With Freestyle Cruising, you've got the freedom to create your very own story on an exciting Shore Excursion. Soak up as much adventure as you like - at your leisure.

BAHAMAS FUN FACT

Today's forecast: Snow. Not really. But back on January 17 in 1977 a cold wave from South Florida brought unnatural winter weather to the Bahamas. Snow fell on the city of Freeport on Grand Bahama Island. It was the only time in history this ever occurred.

GOING ASHORE

As per local laws, no food or dairy products are allowed off or on the vessel in our ports of call. Please carry valid photo ID & your Escape freestyle card when going ashore. If you are on a Norwegian organized Shore Excursion, please read & double check your ticket for the meeting time and location. Smoking in the cruise terminal area is strictly prohibited.

IMPORTANT SAFETY INFORMATION

Please be advised that the U.S. Embassy recently published a safety warning for the Bahamas due to an increase in crime against tourists, such as robbery of personal items. We recommend that quests not venture too far from tourist areas or in the alternative consider participating in an organized tour. Also, to lower your risk of being a victim of petty theft or crimes, please consider leaving valuables and irreplaceable items in your stateroom. We suggest you avoid wearing expensive jewelry, carry only the cash or credit cards that you will need on each outing and keep your belongings secure and out of sight. This common sense approach and heightened level of awareness will help you
